Read all of this leaflet carefully because it contains important information for you

Genologix Moringa Oleifera Extract 1000mg is available without a doctor's prescription, for you to maintain your health. Nevertheless, you still need to use Genologix Moringa Oleifera Extract 1000mg carefully to get the best results from it.

- Keep this leaflet. You may need to read it again.
- Do not share Genologix Moringa Oleifera Extract 1000mg with any other person.
- Ask your health care provider or pharmacist if you need more information or advice.

What is in this leaflet

1. What Genologix Moringa Oleifera Extract 1000mg is and what it is used for
2. What you need to know before you take Genologix Moringa Oleifera Extract 1000mg
3. How to take Genologix Moringa Oleifera Extract 1000mg
4. Possible side effects
5. How to store Genologix Moringa Oleifera Extract 1000mg
6. Contents of the pack and other information

1. What Genologix Moringa Oleifera Extract 1000mg is and what it is used for

Genologix Moringa Oleifera Extract 1000mg is an Ayurvedic medicine. It contains a concentrated extract of the leaves of the moringa tree (*Moringa oleifera* Lam.), known in Ayurveda as Shigru.

Genologix Moringa Oleifera Extract 1000mg:

- is traditionally used in Ayurveda as a nutritive tonic to support general health and vitality.

2. What you need to know before you take Genologix Moringa Oleifera Extract 1000mg

Do not take Genologix Moringa Oleifera Extract 1000mg:

- if you are hypersensitive (allergic) to moringa or any of the other ingredients of Genologix Moringa Oleifera Extract 1000mg (listed in section 6).

Warnings and precautions

Take special care with Genologix Moringa Oleifera Extract 1000mg. Talk to your doctor or pharmacist before taking it:

- if you have a thyroid disorder or take thyroid medicine (e.g. levothyroxine);
- if you have diabetes or take medicine to lower your blood sugar;
- if you have low blood pressure or take medicine for high blood pressure;
- if you take any of the medicines listed under "Other medicines and Genologix Moringa Oleifera Extract 1000mg".

Children and adolescents

Do not give Genologix Moringa Oleifera Extract 1000mg to children and adolescents under 18 years of age. Its safety in this age group has not been established.

Other medicines and Genologix Moringa Oleifera Extract 1000mg

Always tell your health care provider if you are taking any other medicine. (This includes all complementary or traditional medicines.)

Moringa may change the effect of some medicines. Talk to your doctor or pharmacist before you take it if you take:

- levothyroxine (a thyroid medicine);
- medicines for diabetes (blood sugar may drop too low);
- medicines for high blood pressure;
- nevirapine (an HIV medicine);
- other medicines that are broken down by the liver enzyme CYP3A4 (ask your pharmacist).

Genologix Moringa Oleifera Extract 1000mg with food, drink and alcohol

Genologix Moringa Oleifera Extract 1000mg can be taken with or without food. Take it with plenty of water.

Pregnancy, breastfeeding and fertility

Do not take Genologix Moringa Oleifera Extract 1000mg if you are pregnant or trying to become pregnant. Parts of the moringa plant are traditionally avoided in pregnancy, and the safety of the leaf in pregnancy and breastfeeding has not been established.

If you are pregnant or breastfeeding, think you may be pregnant or are planning to have a baby, please consult your doctor, pharmacist or other health care provider for advice before taking this medicine.

Driving and using machines

Genologix Moringa Oleifera Extract 1000mg is not expected to affect your ability to drive or use machines.

It is not always possible to predict to what extent Genologix Moringa Oleifera Extract 1000mg may interfere with your daily activities. Do not drive, operate machinery or take part in activities that need you to be alert until you know how Genologix Moringa Oleifera Extract 1000mg affects you.

Genologix Moringa Oleifera Extract 1000mg contains

Genologix Moringa Oleifera Extract 1000mg contains no sugar and no sweeteners.

3. How to take Genologix Moringa Oleifera Extract 1000mg

Do not share medicines prescribed for you with any other person.

Always take Genologix Moringa Oleifera Extract 1000mg exactly as described in this leaflet or as your doctor or pharmacist has told you. Check with your doctor or pharmacist if you are not sure.

Adults (18 years and older): take three (3) capsules once a day. This provides 1 000 mg of moringa leaf extract.

Do not take more than three (3) capsules in 24 hours.

Children and adolescents under 18 years: Genologix Moringa Oleifera Extract 1000mg is not intended for this age group.

How to take it:

1. Take the capsules in the morning with plenty of water.
2. Stop taking Genologix Moringa Oleifera Extract 1000mg if you get any side effects (see section 4).

A varied diet is the most effective and safe way to achieve good nutrition, health, body composition as well as mental and physical performance.

If you take more Genologix Moringa Oleifera Extract 1000mg than you should

If you take too many capsules, you may get an upset stomach, nausea, heartburn or diarrhoea.

In the event of overdosage, consult your doctor or pharmacist. If neither is available, contact the nearest hospital or poison centre.

If you forget to take Genologix Moringa Oleifera Extract 1000mg

If you forget a dose, take your next dose at the usual time the next day.

Do not take a double dose to make up for a forgotten dose.

If you stop taking Genologix Moringa Oleifera Extract 1000mg

You can stop taking Genologix Moringa Oleifera Extract 1000mg at any time. No withdrawal effects are expected.

4. Possible side effects

Genologix Moringa Oleifera Extract 1000mg can have side effects.

Not all side effects reported for Genologix Moringa Oleifera Extract 1000mg are included in this leaflet. Should your general health worsen or if you experience any untoward effects while taking Genologix Moringa Oleifera Extract 1000mg, please consult your health care provider for advice.

If any of the following happens, stop taking Genologix Moringa Oleifera Extract 1000mg and tell your doctor immediately or go to the casualty department at your nearest hospital:

- swelling of the hands, feet, ankles, face, lips, mouth or throat, which may cause difficulty in swallowing or breathing,
- rash or itching,
- fainting.

These are all very serious side effects. If you have them, you may have had a serious reaction to Genologix Moringa Oleifera Extract 1000mg. You may need urgent medical attention or hospitalisation.

Tell your doctor if you notice any of the following:

Frequency unknown:

- upset stomach, nausea (feeling sick) or heartburn,
- diarrhoea or loose stools,
- allergic skin reactions (rash, itching).

If you notice any side effects not mentioned in this leaflet, please inform your doctor or pharmacist.

Reporting of side effects

If you get side effects, talk to your doctor or pharmacist. You can also report side effects to SAHPRA via the Med Safety APP (Medsafety X SAHPRA) and eReporting platform (who-umc.org) found on SAHPRA website. By reporting side effects, you can help provide more information on the safety of Genologix Moringa Oleifera Extract 1000mg.

You can also report side effects directly to Genologix by completing the side effect report form on our website at https://genologix.co.za/adr-form-page/, or by contacting us on 087 094 0594, WhatsApp 060 532 8317 or info@genologix.co.za.

5. How to store Genologix Moringa Oleifera Extract 1000mg

Store all medicines out of reach of children.

- Store in a cool, dry place at or below 25 °C.
- Protect from light and moisture.
- Keep the capsules in the original pouch. Reseal the pouch tightly after each use.
- Do not store in a bathroom.
- Do not use after the expiry date printed on the pouch.
- Do not use Genologix Moringa Oleifera Extract 1000mg if the pouch seal is broken or the capsules look damaged.

Return all unused medicine to your pharmacist.

Do not dispose of unused medicine in drains or sewerage systems (e.g. toilets).

6. Contents of the pack and other information

What Genologix Moringa Oleifera Extract 1000mg contains

The active substance is a 10:1 dry extract of moringa leaf (*Moringa oleifera* Lam., folium).

Active ingredient	Per capsule	Per daily dose (3 capsules)
Moringa oleifera leaf extract (10:1), equivalent to 3 333 mg dried leaf per capsule	333,3 mg	1 000 mg

The other ingredients are microcrystalline cellulose and hypromellose (the vegan capsule shell).

Microcrystalline cellulose is a plant fibre used as a filler. It makes sure that every capsule contains the correct amount of the active ingredient. These ingredients are not active ingredients. They are only used to help us make the capsules accurately and consistently.

What Genologix Moringa Oleifera Extract 1000mg looks like and contents of the pack

Clear, hard vegan (hypromellose) capsules filled with a yellow-brown to green-brown powder.

The powder in the capsules comes from natural plant material, so its colour can vary from batch to batch. It may be lighter or darker. This is normal. It is caused by natural factors such as soil conditions, rainfall and the time of harvest. It does not affect the quality of the product.

360 capsules (120 daily doses) packed in a resealable, laminated, light-protective pouch.
